Following Jesus, Making Disciples, Serving Others, Changing Lives

Tony Watson, Senior Pastor

Just as we have gone from spring weather to summer weather in a hurry, the summer activities are on us just as quickly. We have many special ministries and activities planned for the summer and I hope you will be active in them. I urge you to be faithful to attend FBCP when you are in town and be faithful to continue giving. We have online and text options for you while you are away.

All of our regular Sunday morning ministries are ongoing through the summer and most of our Wednesday night ministries are continuing as well. We are praying for a harvest of souls at Vacation Bible School and in our camps for pre-teens and youth. We have fellowship opportunities for the entire church family, such as our concert event July 1st with the Erwins and Joseph Habedank, including an ice cream fellowship. I want to encourage you to take advantage of these special opportunities and let's be a part of what God is doing at FBCP this summer.

I am looking forward to this Saturday's "Service Saturday", where we will be trying to be a blessing to some in our own church body through some food ministry, as well as helping some in our community with some yard work. I really believe that the success of our church going forward is linked to our commitment to missions and meeting needs.

I did not realize it until after services Sunday, but Sunday was Tyler and Joni White's last Sunday with us. Tyler recently received the TABC Don Coleman Outstanding Coach Award for Class 1A for his work as boys basketball coach at Oakwood. Tyler was hired as boys basketball coach at Dodd City, TX and they are moving this week. I'm thankful that God has allowed us to have such God-fearing educators and coaches in our congregation.
